

## Medical History Self-Declaration for an ASN Canada FIA Competition Licence

**All National Licence applicants** are required to pass a medical examination by a physician as follows:

- At the time of a first-time licence application if no previous medical examination has been done or a medical examination is due.
- Every five (5) years for applicants 11 to 35 years of age.
- Every two (2) years for applicants 36 to 59 years of age.
- Every year for applicants 60 years of age and older.
- Applicants require a medical self-declaration (this form) in the years in which a medical examination by a physician is not required.
- ASN Canada FIA reserves the right to request a medical examination by a physician from a licence applicant at any time.

**Applicants for International grades of Competition Licence** are required to pass an annual medical examination. International licence applicants 45 years of age and over must pass a stress-related electrocardiogram test initially and every 2 years thereafter.
